Our Values at Grace Church:

2. We are passionately People-focused!
3. We are strategically Team Based!

Our Strategy for Making Disciples at Grace Church:

We seek to **REACH** ! people who need Jesus,
CONNECT ! them to God and other Christ followers,
FORM ! them to have a growing relationship with Jesus,
and **SEND** ! them into the world to serve God and others!

A Message from Pastor Arlene:

This Sunday is a special day because as a church we will join with some new members, and a sweet young girl in baptism. It is a special day, just like our birthday or a wedding day, because membership and baptism join us all together as a family of God. Being a member in a church is a great joy as well as a commitment and responsibility to God and the other members. It is where we learn to get along with our Christian brothers and sisters (how can we possibly hope to get along with the world if we can't get along with one another?), and where we join together as a mighty force for the loving takeover of planet earth by Jesus.

I am saddened when I hear Christian people "put down" religion or the church. Religion and the church are good! Of course, the people therein are always imperfect and sinful, but that's precisely why we need Jesus and one another to begin with. It's a "catch 22". Together, we learn tolerance and love because of our differences and imperfections. When people disparage the church or religion, it is like talking trash about your family. After all, Jesus died so his church could be born, and his church is called the "Bride of Christ." He loves the church, and the religion that is practiced amongst her members.

Here's what I propose. I propose that amongst all people of Christ, we stop bashing the church—any church! I propose that we practice love and tolerance towards the church and religion, and show the world that the church of Christ is a safe, loving, exciting, and meaningful family to belong to. That's what I propose, and I will indeed be with you in that journey!

Over the next few weeks our sermon series will help us ramp-up our prayer life. Join in the journey!
